BOOKHAM BEES WI

News & Announcements

The Bookham Community Fridge, which operates alongside The Meeting Place at Bookham Baptist Church, has become increasingly active over the last few weeks. Organised by our Busy Bee Edna Woodhouse and helped by a number of other Bees, 'the Fridge' is currently delivering around a tonne of food a week to people in need in Bookham and Effingham. Well done Edna and everyone in the team. THANK YOU!

Ideas for Lockdown

Via Zoom of similar to share with your Friends & Family

Quiz The pubs are closed, but you can still test your wits during a weekly pub quiz with your family and friends. Sure, it isn't the same as huddling around a small table with your teammates as you try to win a free round of drinks, but the essence of it remains the same!

Charades One of the most treasured dinner party games, charades will never fail to entertain, especially while the nation remains in lockdown. You can play charades over video chat in a variety of ways, the most simple way being to come up with an idea in your head – whether it be a book, film, TV show, play, person or something from another category – and to act it out, informing your video chat companions how many syllables are in each word to help them along the way.

Would I Lie to You?

The Rules: Have ready, either a delicious lie or an unlikely truth to share with your friends.

You will need a sign ready, marked either "Truth" or "Lie", to raise when its time to reveal your answer.

You will also need paper and pen to keep your own score.

Each participant will be invited in turn to share their story - during which time the other participants will be muted by the host.

Following each turn, the host will invite questions from the other participants - raise your hand if you'd like to ask a question (*i.e.* to be unmuted).

After questions participants will write their answers on their personal score sheet before the story teller is invited to reveal the answer.

Points scoring:

1 point for correct answer

3 bonus points for any story teller who fools all the participants with their story

Japanese Hand Fan Keep an eye on the Website as Heather is going to give step by step directions on how to make a Japanese hand fan to help with the hot weather. If needed she can supply the paper and lolly sticks for anyone who wants a go.

Keep in Touch Please don't forget to keep in touch with friends and neighbours, especially those living on their own. Emails are all very well but there is nothing like a good chat over the 'phone, it is far more personal. Do not hesitate to ring me if you are having to isolate yourself and unable to pick up prescriptions, food or anything else that you require. It can be arranged and we can help!

Once again, A BIG THANK YOU from all the Bees to Bookham shop keepers and everyone who is endeavouring to keep things ticking over. What stars!

Newsletter Items Please let me know if you have any interesting items to include in next month's Newsletter.

Finally, keep safe and well and make the most of this glorious weather.

Diana and your Committee
