News & Announcements

Bookham Bees WI Quiz Night

It was a sell out again!

Everyone had a brilliant time stretching their brains, just a little, not too much! A delicious meal, provided by Clark's Café, Leatherhead, was served at the start of the evening, followed by some yummy little cakes to round the meal off nicely. There was a great buzz throughout the evening, and I am delighted to confirm that we raised a magnificent £937, including £250 on the raffle. We are donating the raffle money to Leatherhead Youth Project, Bookham Bees' charity of the year. Thank you to everyone who supported the Quiz Night and especially to all the volunteers who helped during the afternoon and the evening.

February's Meeting

For those of you who were unable to join us on Wednesday, 5th February, we had a really interesting speaker, Sarah Lott, who talked about 'Celebrating Life Memories'. She encouraged us to ensure we identify all those wonderful old photographs we have tucked away in a cupboard or drawer before it is too late. Record them, make a book with them, or even ask her to make a really professional job of it!!

Community Fridge

A Community Fridge is being set up in Bookham Baptist Church in conjunction with The Meeting Place. It is open to everyone.

The aim is to prevent food which is still usable from going into landfill. A number of local shops are on board with the idea and will donate foods which are close to their sell-by dates or which are no longer being stocked.

If you have any tins, jars or packets of foods (or non-food) which you no longer want, please would you donate to the cause. Any items you are happy to donate can be given to Edna Woodhouse or Julie Ryder at our monthly meetings or in the box which will be available in the hall.
